PD-250

FENDER® PASSPORT® DELUXE

Portable Sound System

The Passport PD-250 is the flagship model of the Passport product line. Featuring a six-channel mixer, 250-Watt stereo power amp and specialized DSA speaker design – the PD-250 provides powerful and full sound in a portable and easy-to-use design. If it's a coffee shop performance or for a company event, the PD-250 is great in any situation where quality sound is needed.

The Passport PD-250 is perfect for use in:

- Groups ranging from 300-500 people in size
- Corporate presentations
- Fire/rescue departments
- Funeral services where remote PA systems are required
- Police departments/SWAT teams
- Schools
- Sporting events

The Passport PD-250 has the following features:

- Black luggage-style molded case that protects the product during transportation from physical damage and the elements
- 55 lbs.
- Six-input mixer: four mic/line, two mono/stereo
- Operates on AC or with Passport DC power accessories
- 250 Watts (125 per channel) stereo
- Digital reverb
- Proprietary DSA speaker design featuring two 5.5" woofers and dual arrayed 2.75" tweeters per cabinet
- Two P-51 microphones (with mic clips, cables and individual carrying pouches)
- Two 20' speaker cables
- Compatible with Passport wireless accessories
