HALOGEN LAMP WARNING!

This fixture is fitted with halogen lamps which are highly susceptible to damage if improperly handled. Never touch lamp with bare fingers as the oil from your hands will shorten lamp life. Also, never move fixture until lamp has had ample time to cool. Remember, lamps are not covered under warranty conditions.

Thank you for purchasing the Aggressor™ by American DJ®. For your convenience the Aggressor™ has been lamped and is ready to be used, there is no assembly required. Please read the following instructions before installing or operating your new Aggressor™.

Operating Instructions:

Unit is ready to be hung or set on a flat surface. Unit will react to bass sound of music via its internal microphone. Adjust the sensitivity knob on the unit to music level. Be sure not to obstruct cooling vents. Keep in a well ventilated area. For best results fog or special effects smoke must be used in order to see the beams of light.

Caution! Never open unit when in use. Always disconnect main power before replacing lamp. Remember always replace with same type lamp and fuses.

Lamp replacement: Remove screws on trap door remove and replace lamps.
